TECHNOLOGY

Join the SMILE REVOLUTION with
 MINIMAL PREP VENEERS!

Look younger by creating the appearance of fuller lips and improving the balance, proportions and color of your teeth. Look more attractive by closing gaps and concealing teeth that are crowded or slightly overlapped – without orthodontics. Often this can be accomplished with very little tooth reduction and no shots. Visit our website for more information and to see some before and after pictures. You will be excited by what you see.

KIDS CORNER

STOCKING STUFFER IDEA

Did you know that children miss more school days each year due to dental related problems? Sonicare is now offering an electric toothbrush for kids starting at age 4. Bergmann and Hohm Dental will be offering the brush for our

wholesale price of \$40. It normally retails for \$70. Your family's dental health is our number one priority. This new brush has many kid friendly features such as, a musical timer, appropriate brush head sizes, reduced motor vibration and fun designs. Pick one up today.

FOR YOUR INFORMATION

LET'S COMBAT THE FLU TOGETHER

Our office is taking extra precautions to help combat the flu. There are no longer toys or books in our play area. Please bring your own books, toys, etc. when you and your children come for an appointment.

Are you experiencing fever, sore throat, coughing or headache at your appointment time? We would be happy to reschedule instead of spreading germs.

TIMING IS EVERYTHING

It is now time to check on your insurance benefit maximums and flex dollars. In these challenging economic times, it makes good sense to utilize the funds due to you. You may have great benefits left in your insurance account that you will lose at the end of 2009. Our schedule fills quickly, so call today and talk to one of our dental professionals to check on benefits and schedule an appointment.
